

## **NEW YORK BASED SKYWOLF WIND TURBINE CORPORATION JOINS LARGEST- EVER U.S. BUSINESS DELEGATION TO 2016 HANNOVER MESSE**

GENESE0, NEW YORK - SKYWOLF WIND TURBINE CORPORATION today announced it is part of the largest-ever U.S. delegation to Hannover Messe, the world's foremost trade fair for industrial technology, taking place April 25-29, in Hannover, Germany. For the first time in the Fair's history, the United States will be the Partner Country, a status that provides the more than 390 businesses and organizations in the U.S. delegation an unprecedented opportunity to be prominently featured throughout the event. President Obama will also participate in this year's event, themed "Integrated Industry-Discover Solutions."

SKYWOLF WIND TURBINE CORPORATION will exhibit in the USA EFFICIENCY, STORAGE, & MOBILITY Pavilion, HALL 27, STAND G50 at the show.

"The U.S. business community and the Department of Commerce have a clear message for the world: the United States is open for business. We will demonstrate and deliver on that message at the 2016 Hannover Messe," said U.S. Secretary of Commerce Penny Pritzker. "We are proud to have some of America's most innovative and forward-thinking renewable energy companies joining the U.S. delegation at this year's fair."

SKYWOLF WIND TURBINE CORPORATION is a designer, manufacturer, and supplier of a technically innovative Solar Hybrid Diffused Augmented Wind Turbine (DAWT) that uniquely integrates solar and wind kinetic power into renewable electric energy in a single turbine. Standing only 7.62m (25') tall, our unique shroud design containing revolutionary 2.44m (8') rotors combined with bi-facial solar photovoltaic arrays creates the first and only patented Solar Hybrid DAWT available in the world.

"We are excited to be a part of the first-ever USA Partner Country presence at Hannover Messe and look forward to making the most of this opportunity." said Paul J Morrell, VP Business Development.

Hannover Messe typically hosts more than 200,000 attendees from more than 70 countries, including global investors, buyers, distributors, resellers and government officials.
